Besta is a leading China PPR Plastic Fitting End Cap manufacturers, suppliers and exporter. Besta brand PPR fitting adopts imported raw material RA140E or R200P, and well sell in Africa, Middle east ,South America, Asia etc market.

Product Description

You are welcomed to come to our factory to buy the latest selling, low price, and high-quality PPR Plastic Fitting End Cap, Besta looks forward to cooperating with you. Ningbo Ouding Building Material Technology Co Ltd was established in 2010, at the beginning, just a mould factory to make pipe fittings mould for export and did some international trade, in 2013, started PPR pipe and fittings production, till now we have more than 200sets moulds to produce full range ppr pipe fittings,ball valves, and some other pipe fittings.

We still have our own mould factory, design products and make OEM products for customer. Besta brand PPR fitting adopts imported raw material RA140E or R200P, and well sell in Africa, Middle east ,South America, Asia etc market.
